1691 Bidders were notified through BidSync  
34 Bidders viewed the specifications via Bidsync  
1 Bidder(s) responded to the bid as follows:  
Robinson Fence

IFB# 2013-150 is recommended to Robinson Fence as the vendor meeting specification requirements by Public Works and Purchasing Department. One bid was received on this solicitation. An Addendum was executed to extend bid end date two weeks to allow a better response for bids. Three vendors were contacted who are known to provide similar fencing services per the required specifications. The type of fences required in the contract include:

- Typical five (5) wire strand fence
- Barbless horsewire
- Barbwire
- Welded pipe fence
- Electrical fence

None of these vendors submitted a bid. We also contacted three local vendors, that viewed the bid as to why they did not bid and they stated that they could not meet the specifications, they provide commercial/residential fencing, vinyl, wood, chain link, ornamental iron fencing only.

Please contact the Purchasing Department at ext. 4122 should you have questions or need any additional information.
